

JESUS -- 100% MAN

& 100% GOD?

HOW CAN IT BE?

So, We Have Learned That  
Jesus Is Human And He Is DIVINE!

HOW CAN IT BE?

# What IS A Human Being?

A Human Being Is A Spirit

Residing In A Physical Body!

# Who Is Jesus Christ?

A red-tinted portrait of Jesus Christ, centered in the background. The image is overlaid with a complex geometric pattern of overlapping triangles and squares in various shades of red and dark red, creating a textured, almost crystalline effect. The text is overlaid on this background in a clean, white, sans-serif font.

Jesus Was A Spirit

(Albeit A Divine Spirit)

Residing In A Physical Body!

EMMANUEL

GOD WITH US

At His Death, He Left That Body  
And Went To Paradise!

A dramatic landscape at sunset or sunrise. The sky is filled with vibrant, horizontal bands of orange, yellow, and purple. In the foreground, a large, dark, textured stone is partially visible. In the background, a hillside is silhouetted against the bright light, with three crosses standing on top. The overall scene is evocative and spiritual.

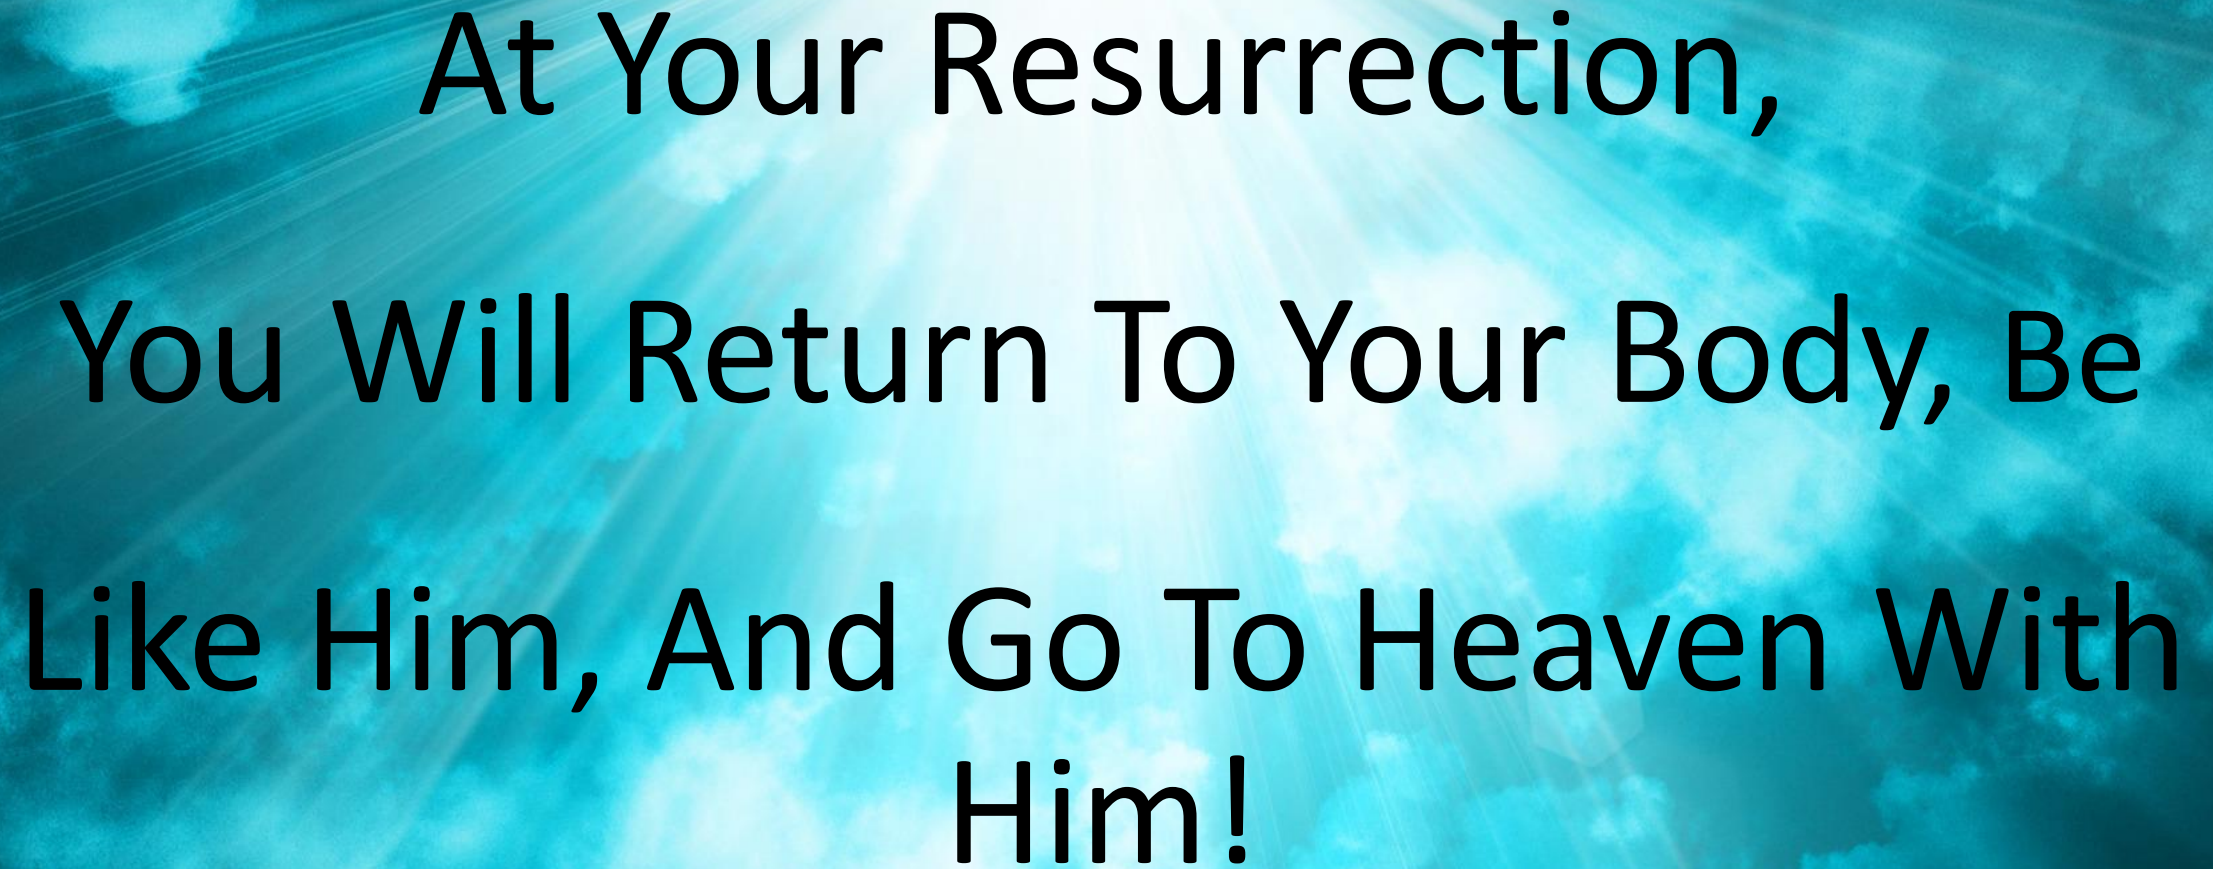

At His Resurrection,  
He Returned To That Body  
And Lived On Earth For 40 Days!

A dramatic sky with a bright sunburst breaking through dark, heavy clouds. The sun is positioned in the center, creating a strong lens flare and illuminating the surrounding clouds with a golden glow. The clouds are dark and textured, with some lighter patches where the sun's light hits them. The overall scene is one of divine light and glory.

He Ascended To Heaven  
In That Resurrection Body!

At Your Resurrection,  
You Will Return To Your Body, Be  
Like Him, And Go To Heaven With  
Him!

Why Is Jesus Being 100% Man  
And 100% Divine Important?

- Because THAT IS WHO HE IS!
- Because He Cannot Stop Being A Divine Being In A Body!
- Because He Had To Die And Shed Innocent Blood To Offer For Out Atonement!
- Because He Had Work To Do That ONLY HE Could Do!
